

Certificate of conformity of the factory production control

0769 – CPR – 00380 – 1

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Long products of corrosion resisting steels for construction purposes

Technical Specification	Construction Product	Material
EN 10088-5	Flat products of corrosion resisting steels for construction purposes	1.4301 1.4307 1.4404 1.4571 1.4162

placed on the market under the name or trade mark of

Stalutube Oy

Taivalkatu 7, 15170 Lahti, Finland

and produced in the manufacturing plant

Stalutube Oy

Taivalkatu 7, 15170 Lahti, Finland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 10088-5:2009

under system 2+ are applied and that

the factory production is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 22nd of June 2016 and will remain valid until 21st of June 2021 as long as neither the harmonized standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Karlsruhe, 22nd of June 2016
